# ULTRA - LUXURY

## THE TROLLEY EXPERT

## JM BAXI

*Dhruv Kotak (Group MD)*

AAA Gifting solutions are truly unparalleled. We had a pre-eminent experience while we were working with them during Diwali 2020-21. They curated 50+ extravagant trolley hampers for our VVIP clients. We were knowledgeable about Aesha Agicha's work beforehand. There wasn't anything to stress over considering Aesha's decade-old involvement in this field. Furthermore, here we quote one of our clients' feedback on the trolley hamper - "This gift was not just a hamper nor a Trolley. In every sense, it's a Mini Kitchen on the move. We are stunned with the detailing"
